

### ■1 枠\_Bパターン(共通)

Diagram illustrating the layout of a business card, showing a grid of squares representing the card's dimensions and content areas.

The layout includes:

- A header section at the top with 14 squares.
- A main content area with a grid of squares.
- A section on the right labeled "PHOTO" (Photo) and "イラスト" (Illustration), indicating where a photo or illustration can be placed.
- A section on the right labeled "QR画像" (QR Image), indicating where a QR code can be placed.
- A section on the left labeled "ロゴ" (Logo), indicating where the company logo can be placed.
- A section at the bottom labeled "■事業内容" (Business Content), indicating where the company's business details can be placed.
- A section at the bottom labeled "社名" (Company Name), indicating where the company name can be placed.
- A section at the bottom labeled "住所" (Address), indicating where the company address can be placed.
- A section at the bottom labeled "☎000-000-0000", indicating where the company phone number can be placed.
